4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

5 **SECTION 1.** A new section to chapter 23-12 of the North Dakota Century Code is created and enacted as follows:

Informed consent for vaccines - Notice of risk - Penalty.

- 1. Every government official, health care provider, and employer that provides an immunization or in the official capacity as a public official or public health officer formally provides information on immunizations, shall provide information of the potential risks of vaccination. This information must be provided to an individual, or if the individual is a minor, to the individual's parent or guardian, before a vaccine is administered and must include:
 - a. TheA current vaccination immunization statement produced by the federal centers for disease control and prevention and, upon request of the individual, parent, or guardian, the vaccine package insert, provided by the manufacturer; and
 - b. Information If the patient is a minor, information regarding exemptions for vaccination as provided under section 23-07-17.1.
- 2. The state department of health shall make a vaccine exemption form publicly available on the department's website and in all public schools. The department also shall publish a document detailing vaccine exemption information clearly linked to the immunization information on the department's website. The exemption form must include a statement indicating the individual or, if a minor, the individual's parent or

Sixty-seventh Legislative Assembly

Ι,		guardian, understands the benefits and risks of immunizations and the benefits and
2		risks of not being immunized. Before administering a vaccination to a minor, the
3		government official, medical provider, and employer providing or requiring
4		immunization shall inform the individual, parent, or guardian of the right to an
5		exemption and make the exemption form available. The individual providing a
6		vaccination may not use tactics that threaten, coerce, or intimidate a patient, or if the
7		patient is a minor, the parent or guardian, to decide to receive a vaccine.
8	<u>3.</u>	Every medical provider providing services to a pregnant woman shall provide a clear
9		and detailed explanation of all vaccinations included in any consent for
0		biologics biological products. The fact that vaccinations have never been studied in
11		pregnant women must be provided to the patient before administering a vaccination.
2		Dissemination of this information must be witnessed and may not be issued while the
3		woman is in labor or under duress.
4	<u>4.</u>	This section does not reduce or remove liability for a manufacturer of immunizations
5		as liability relates to vaccine injury.
6	<u>5.</u>	A government official, medical provider, or employer that violates this section is guilty
7		of an infraction.
8	6.	As used in this section, the term "biological product" has the same meaning as
9		provided under section 19-02.1-14.3.
